Clean Air Scientific Advisory Committee (CASAC)

2. Authority:

The Clean Air Scientific Advisory Committee (CASAC) is required by Section 109 of the Clean Air Act (CAA) enacted on August 7, 1977 (42 U.S.C. § 7409). This charter renews the CASAC in accordance with the provisions of the Federal Advisory Committee Act (FACA), 5 U.S.C. App. 2. The charter has been renewed every two years, with the last renewal on July 29, 2015.

3. Objectives and Scope of Activities:

Section 109 of the CAA specifically directs the EPA Administrator to review the air quality criteria published under section 108 and the national ambient air quality standards (NAAQS) promulgated under section 109 and to make such revisions in such criteria and standards and promulgate such new standards as may be appropriate no later than every five years. Section 109 also directs the Administrator to establish this committee to review the criteria and standards promulgated, and provide other related scientific and technical advice.

4. Description of Duties:

The duties of CASAC are to provide advice and recommendations to EPA. The CASAC is identified as a scientific/technical advisory committee. As required by CAA section 109(d), the CASAC will:

- a. Review the criteria published under section 108 of the Clean Air Act and the national primary and secondary ambient air quality standards and recommend to the Administrator any new national ambient air quality standards and revisions of existing criteria and standards as may be appropriate;
- b. Advise the Administrator of areas in which additional knowledge is required to appraise the adequacy and basis of existing, new, or revised national ambient air quality standards;
- c. Describe the research efforts necessary to provide the required information;
- d. Advise the Administrator on the relative contribution to air pollution concentrations of natural as well as anthropogenic activity; and
- e. Advise the Administrator of any adverse public health, welfare, social, economic, or energy effects which may result from various strategies for attainment and maintenance of such national ambient air quality standards.

5. **Agency or Official to Whom the Committee Reports:**

The Committee will submit advice and recommendations and report to the EPA Administrator.

6. **Support:**

EPA will be responsible for financial and administrative support. Within EPA, this support will be provided by the EPA Science Advisory Board Staff Office, Office of the Administrator.

7. **Estimated Annual Operating Costs and Work Years:**

The estimated annual operating cost of the CASAC is \$1,500,000, which includes 5.0 work-years of support.

8. **Designated Federal Officer:**

A full-time or permanent part-time employee of EPA will be appointed as the Designated Federal Officer (DFO). The DFO or a designee will be present at all meetings of the advisory committee and subcommittees. Each meeting will be conducted in accordance with an agenda approved in advance by the DFO. The DFO is authorized to adjourn any meeting when he or she determines it is in the public interest to do so, and will chair meetings when directed to do so by the official to whom the committee reports.

9. **Estimated Number and Frequency of Meetings:**

The CASAC and its subgroups expect to meet a total of approximately twelve (12) to fifteen (15) times a year. Meetings may occur approximately once every four (4) weeks or as needed and approved by the DFO. EPA may pay travel and per diem expenses when determined necessary and appropriate.

As required by FACA, CASAC will hold open meetings unless the EPA Administrator determines that a meeting or a portion of a meeting may be closed to the public in accordance with 5 U.S.C. 552b(c). Interested persons may attend meetings, appear before the committee, or file comments with the CASAC.

10. **Duration:**

Continuing.

Members will be persons who have demonstrated high levels of competence, knowledge, and expertise in scientific/technical fields relevant to air pollution and air quality issues. Members will generally serve as Special Government Employees (SGE).

13. Subcommittees:

EPA, or CASAC with the Agency's approval, may form subcommittees or workgroups for any purpose consistent with this charter. Such subcommittees or workgroups may not work independently of the chartered committee and must report their recommendations and advice to the chartered CASAC for full deliberation and discussion. Subcommittees or workgroups have no authority to make decisions on behalf of the chartered committee, nor can they report directly to the EPA.

14. Recordkeeping:

The records of the committee, formally and informally established subcommittees, or other subgroups of the committee, will be handled in accordance with NARA General Records Schedule 6.2 and EPA Records Schedule 1024 or other approved agency records disposition schedule.
